

Hyderabad, India

Extension of ADG Quarters, Dr.MCR HRD Campus

Scope of work includes Structural Design of extensions and porticos for North-East, South-East and North-West sides of Existing building.

Existing Structure drawings are not available. Hence Structural arrangement is so chosen that the proposed extension will not induce any additional loads onto the existing building.

Date: 2019

Client: Praj Designs / Dr. MCH HRD Campus

Type: RCC Structure

Responsibilities: Structural Designs & Drawings
